

A haven for the uninhibited,
individualistic and optimistic,
The Flamingo Resort is a
place for those seeking the
freedom to flow.

WELCOME TO THE FLAMINGO.

When you enter the Flamingo through our beautiful port cochere, and walk toward the pool, the sound of water , relaxation and the soft chatter of the hotel greet you. The pool is an azure gem that the hotel revolves around, walking the paths and corridors of the property during the day is quiet peaceful and abundant with California flora. Redwoods by the pool, ferns, birds of paradise, roses, and grasses all mingle in a lush surrounding that is hushed and alive. Welcome to the Flamingo Resort.
