

# LEDSON

— 150 YEARS OF TRADITION —

## *Winery & Vineyards*

Ledson Winery, known throughout the world as the ‘Castle,’ is nestled among acres of rolling vineyards with a backdrop of 100-year-old oak trees forming an oak grove for many occasions.

Most recently, fourteen of Ledson’s wines have scored between 95 and 99 points; three of them have achieved recognition as ‘Wine of the Year’ at prestigious international wine competitions. Ledson is known for showcasing absolutely some of the best that Sonoma County has to offer.

Enjoy handcrafted varietal wines outside in the majestic Oak Grove overlooking our picturesque vineyards. Whether you book a general tasting or opt for a magnificent Private Tasting featuring top scoring Ledson wines, you will have an experience like no other. The Gourmet Marketplace offers fresh sandwiches, salads and treats to create the perfect picnic lunch.

Ledson wines are sold exclusively at the winery, in the online store at [ledson.com](http://ledson.com), and at the Zina Lounge in Sonoma.
